

Exhibitors at SUPERMARKET – Stockholm Independent Art Fair 2016

SUPERMARKET today announces the galleries and other artist-run initiatives that will participate in this year's edition of the most international art fair in Scandinavia.

SUPERMARKET presents 61 artist-run galleries and other initiatives from 40 cities: over 100 contemporary artists will be present as SUPERMARKET celebrates its 10th anniversary. Artists from Syria, Egypt, Canada, Turkey and South Africa will be represented alongside a wide range of European and Scandinavian art.

First-time exhibitors at SUPERMARKET 2016 include Platform Arts from Belfast, Alma Martha from Cape Town and Vsvsvs from Toronto. Some of the galleries returning are AllArtNow from Damascus, Ormston House from Limerick and Small Projects from Tromsø.

SUPERMARKET 2016 will examine how the artist-run network has changed over the last 10 years. More on the program is TALKS with seminars, and the performance stage RED SPOT, showing experimental and innovative performance acts by Swedish and international artists.

A special international forum for art professionals from all over the world that are drawn to SUPERMARKET – Professional Networking Participants – has been created to ensure that the exchange and expansion of the artist-run network continues.
