

SUPERLOCAL 2020 – Stockholm Independent Art Fair

SUPERLOCAL 2020 is the local edition of Supermarket – Stockholm Independent Art Fair replacing its international version that was cancelled due to the Covid-19 pandemic. With focus on the local instead of the global, SUPERLOCAL 2020 features thirteen Stockholm-based artist-run initiatives with over forty participating artists.

SUPERLOCAL 2020 will take place on 3–6 September in different venues around the city.

SUPERLOCAL Info Point will be located in Kafé 44 on Tjärhovsgatan 46 serving as an information centre, café and scheduled daily programme of Talks & Performances.

Supermarket – Stockholm Independent Art is an art fair that offers visitors an exhibition of the latest contemporary art mixed with unexpected meetings and experiences, rather than focusing on sales.
