## **SUPERMARKET – Stockholm Independent Art Fair returns to Skärholmen Centrum for its 2024 edition**

**SUPERMARKET 2024 – Stockholm Independent Art Fair will take place 25–28 April in SKHLM Skärholmen Centrum. This unique 2000 metre square venue was previously a children's indoor playground, and hosted Supermarket in 2022. The premises present a playful source of inspiration to pair well with the vibrant programme of contemporary art, networking for art professionals and much more. The press viewing will take place on 24 April at 11 am.**

"I look forward to welcoming the highest number of participants in recent years. All with very different areas of focus", says Alice Máselníková, one of the fair's three artistic directors.

Over 70 artist-run initiatives from 24 countries are participating in SUPERMARKET 2024. For the first time – and farthest from Sweden – we welcome **Motif Art Studio** (Tindouf, Algeria), **Cluster** (Seattle, USA) and **schmick contemporary** (Sydney, Australia).

From closer latitudes, SUPERMARKET 2024 will host a total of seven artist-run initiatives from Norway: **BABEL visningsrom for kunst** (Trondheim), **/isgisgisgisgisgisgisg.com** (Moss), **Meer projects** (Hosle), **Sami Center for Contemporary Art** (Karasjok), **Small projects** (Tromsø), **Tenthaus Olso** (Oslo) and **Uncertain States / Scandinavia** (Sandefjord).

"A strong focus next year will be video art, including a special video program compiled by Paadmaan projects from Tehran", says Andreas Ribbung, another of the fair's three artistic directors.

Returning artist-run initiatives include: **E T A J Artist-run space** (Bucharest, Romania), **Visual Arts Forum** (Ramallah, Palestine), **Altán Klamovka Gallery** (Prague, Czech Republic), **KC Grad** (Belgrade, Serbia) and **VA Space** (Isfahan, Iran).

"These are rattling times for culture in Sweden, so I am really looking forward to showing some of the world's most exciting artist-run galleries in Stockholm!" says Pontus Raud, the third of the fair's three artistic directors.

Complete list of exhibitors will be released in February.
